MARDI GRAS FUN

~ ENJOYING THE FIRST BEAUTIFUL DAY OF SPRING ~

IN THE COURT YARD

Flower – Daisy

April's flower is the daisy, which has long been a favorite of gardeners everywhere. Daisies have a simple, cheerful beauty that symbolizes innocence and youth. They are also very easy to care for and will grow just about anywhere. In fact, they are found all over the world except in Antarctica. Just add water and sun, and these little sunbursts add some brightness to any garden. The daisy's Latin name, *Bellis perennis*, translates to "everlasting beauty," revealing just how cherished this blossom has been throughout the years.

Birthstone – Diamond

Diamonds have been admired and sought after for millennia due to their brilliant sparkle and uncanny hardness. In fact, they are the hardest known material in the world.

With their incredible strength and sturdiness, it comes as no surprise that diamonds have come to represent constancy and devotion. The Romans, who believed diamonds would make the wearer stronger, used them as amulets. Today, they represent love and are commonly used for engagement rings to symbolize commitment and devotion.

These Rams burn bright and enjoy leadership roles and daring artistic pursuits. Those born April 22–30 are Bulls of Taurus. Like bulls in a pasture, Taureans enjoy relaxing in serene environments.
