February 1–5: Cat

You are an extremely lovable, adorable person with a passion for quick wit. You can be shy, but your curiosity knows no bounds, and you love to learn and explore new things. Sometimes, though, all you want is a little quiet time.

February 6–14: Dove

Your happy-go-lucky approach keeps you centered, no matter what life throws your way. Even when times get tough, you are upbeat and spread cheer wherever you go.

February 15–21: Turtle

A kindhearted individual, you make an effort to treat others with respect. You are a very generous person and expect nothing in return.

February 22–28: Panther

You are mysterious, calm, and easygoing, even when under pressure. Your friends know they can always rely on you to help them out.

Weather or Not

It is said that if the weather is fair and mild in January and at the beginning of February, there is more winter ahead than behind.

“If the cat lies in the sun in February, she will creep behind the stove in March.”

~ Weather Folklore

Will You Be My Valentine?

While we exchange cards and flowers each Valentine’s Day, in Wales, a man carves a wooden “love spoon” for his beloved, decorating it with symbols such as a key (to his heart). Meanwhile, in Iraq, lovers exchange red apples decorated with cloves, representing the story of Adam and Eve.

February Fun Fact

February is one of the most misspelled and mispronounced words in the English language.
