What's Lucky in November?

Lucky Color: Orange

Lucky Animal: Chipmunk

Lucky Letters: *B* and *G*

Lucky Day: Wednesday

Lucky Plant: Pine

Flower – Chrysanthemum

November's birth flower is the chrysanthemum. Commonly called mums, the vibrant perennial is a favorite of gardeners and florists alike. *Chrysos* is Greek for "gold"; although mums grow in a variety of shades today, their wild ancestors were a brilliant yellow-gold hue. In addition to their beauty, mums are used for teas, wine, and medicine. Additionally, NASA has found that chrysanthemums planted indoors can clean the air of your home.

Birthstone – Yellow Topaz

Yellow topaz, known as "precious topaz," is November's birthstone. This stone was the symbol of Ra, the Egyptian sun god, because of its golden glow. Topaz was named for the ancient island of Topasos, now known as St. John. A topaz is most commonly found in shades of yellow. However, it also comes in other colors, including blue, red, orange, green, and black. Pure topaz itself is a colorless stone. A gift of a yellow topaz symbolizes friendship and hospitality. Topaz is said to give the wearer strength and mental clarity.

Birthday Bough

November 1–8: Pine

You're a nature lover who feels most at home on a walk in the woods or strolling along a stream. You also enjoy a robust social life and have many friends who call on you when they are in search of fun—or a shoulder to cry on.

November 16–21: Willow

You move about with the wind, but you can always be counted on when it matters most. You have a carefree spirit that draws others to you, though you sometimes seek alone time. Your grace and kindness are legendary, too.

November 9–15: Spruce

You are dependable, strong, and smart as a whip. People seek out your advice and call on you when a leader is needed. You have a hearty sense of humor that helps you—and your family and friends—cope during tough times.

November 22–30: Oak

You are a sweet, colorful person with a big laugh, an even bigger heart, and an easy sense of humor. Your intuition, work ethic, and sense of justice are very strong. People feel safe, relaxed, and happy around you, so you're never short on friends.

With the last red berries and the first white snows."*
