Take a Birthday Bough

September 1–10: Weeping Willow

Though you enjoy your active lifestyle, you still like to take a little time out of every day to relax, daydream, and just be with yourself. You love to travel to parts of the world that you haven't seen before. Your friends appreciate your honesty and often come to you for advice.

September 11–20: Lime

You are a fun-hearted, fiercely loyal friend, and you would do anything for the ones you love. With your low-key, laid-back personality, you don't let

yourself get too worried or overwhelmed about the little things in life. You have many talents that you are happy to share with the world.

September 21–30: Olive

You are an outdoorsy person who loves to explore nature and discover new things. You have a sensitive side, and if someone you love is unhappy, you empathize and provide a shoulder to cry on and gentle words of wisdom. Logical and level-headed, you seek to enjoy life and try to keep the peace as much as possible.

Give Peace a Chance

Celebrate world peace on September 21. Established by the United Nations in 1981, International Peace Day is intended to promote and celebrate human caring, unity, and peace and to discourage war and unrest throughout the world.

September gets its name from the Latin word *septimus*, which means "seven." It has this name because it was the seventh month of the year until 153 BC. Around 44 BC, Julius Caesar reformed the calendar and made September the ninth month. The Anglo Saxons called this time *haligmonath*, which translates to "holy month," because the harvest time was sacred to them. In Japan, September is called *kugatsu*, which means "long moon."
